#### Instructions to Students for safe Examination Practices:

- As every student has to undergo health checkup like thermal scanning, the students should reach the examination centre Thirty minutes before the commencement of examination.
- Sanitizing and wearing of mask is mandatory before the health checkup.
- The students should strictly follow the queue by maintaining one-meter distance between each other to undergo health checkup/thermal scanning.
- Thermal scanning before entering the examination hall is compulsorily followed to screen all the students.
- Cover your nose and mouth with hand kerchief/napkin/elbow while coughing and sneezing.
- Do not shake hands, touch or hug your fellow students.
- Do not touch the door handles, windows and any other surfaces unnecessarily or exchange stationary items with fellow students.
- All students should report any signs of ill health during the exam, to the room invigilator.
- All students should bring their own water bottle, lunch box and napkin.
- All students should bring admission ticket and other necessary items without fail,
- All students should compulsorily follow physical distance from the time to entry into the examination centre till your exit.
